Fabric: Prewashed and Pressed with starch - paper piecing produces the best results when the fabrics are pressed with spray starch. I highly recommend the use of Batik fabrics because of their tight weave!

Classroom Store: I will have available for purchase in the classroom a few of the supplies necessary for class: finger pressers and a few basic notions. Some of these items may be difficult to find at your local shops because their use may not have "caught-on" in all locales.
