The workshop will start promptly at 9 A.M. and will end by 4 P.M. We will take a one-hour break for lunch. You can bring your lunch, go out to eat, or, if you prefer, just keep working on your project. There are good, moderately priced eating places close to the workshop location. The bank is located near the southwest corner of Central Expressway (US 75 North) and Arapaho in Richardson, Texas. Take the Arapaho exit off Central Expressway/US 75 N. The bank is on Belle Grove, a short street that is one block south of Arapaho and West of Central Expressway. It is just south of the Richardson City Hall and next to the Richardson Post Office.

The Guild will provide irons and ironing pads for the workshop.
